## 2026 SPONSORSHIP OPPORTUNITIES

In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. At a TEDx event, recorded videos of TED Talks and live speakers combine to spark deep discussion and connection. These local, self-organized events are branded TEDx, where x = independently organized TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events are self-organized. (Subject to certain rules and regulations.)

TEDxGainesville sponsors have the opportunity to connect with the 250+ participants at the event, 1500 TEDxGainesville social media followers, and millions of TEDx viewers around the world. TEDxGainesville videos currently have over Two Million views on the [TEDx YouTube channel](#).
